Help Can't Wait[®]

A family has just lost everything in a fire. Thankfully, Red Cross volunteers responded to help provide food, shelter and hope that everything will be OK.

The Red Cross is looking for active, community-based individuals who are interested in making their community a safer place. If you or someone you know would like to make a tangible difference in the lives of their community, the Red Cross is hosting a free disaster action team seminar.

From 9 a.m. to noon, on Aug. 7 at the First Baptist Church in Winfield and 2 to 5 p.m. at the fire department in Arkansas City, the American Red Cross will be training local volunteers how to help families after house fires. They'll learn how to respond to a house fire, how to assess a damaged home and how to provide aid. The volunteer opportunity is open to everyone. For additional information and to RSVP, call (888) 765-9058 or (316) 219-4049.
